

# DARTON ARCHERY

## VALIANT 58F

For the serious hunter who appreciates natural action and demands top of the line quality. A richly grained bow, Valiant offers full working limbs for more power and smooth but compact action. Laminated with imported wood riser. Features center shot sight window, string grooves with overlay, stabilizer insert and stringer are standard.

### SPECIFICATIONS:

*Bow Length: 58"*  
*String Length: 54"*  
*Draw Weight at 28": 35-60 lbs.*  
*Order No. 58F*

## RANGER 58R

An excellent bow for the new archer that's interested in hunting. Ranger's length is ideal for hunting, field or target shooting. Ranger is a laminated bow with imported wood riser that means quality shooting at a moderate price.

### SPECIFICATIONS:

*Bow Length: 58"*  
*String Length: 54"*  
*Draw Weight at 28": 20-50 lbs.*  
*Order No. 58R*

## SCOUT 50A

Specifically developed for the young archer, the Scout provides your young shooters with advantages usually found only in higher priced lines. A laminated bow with maple riser, Scout features center shot sight window and full grip.

### SPECIFICATIONS:

*Bow Length: 50"*  
*String Length: 46"*  
*Order No. 50A*
